WE WERE TIRED.

Coffee came to the rescue. But tea was more interesting, flavorful, and healthy. As roommates in college, we bonded over drinking (coffee and tea that is).

We wanted more out of our daily cup. Javazen brings together the best of both worlds. The result? The right energy at the right time.

We hope you enjoy Javazen, finely crafted by 3 guys who care about our farmers, your health, & having a good time.

Zenfully yours,

Aaron, Ryan, & Eric
